**POWERFUL SUCTION.
FAST CLEANING.
ULTIMATE SIMPLICITY.**

The AquaGuard LX3 is designed to clean residential In-Ground Pools of all sizes and surfaces. The AquaGuard LX3 moves through the water to automatically scrub, vacuum and micro-filter dirt, debris and contaminants from the pool. The focus is on the pool floor and basin where most debris settles.

The AquaGuard LX3 is equipped with dual PVC scrubbing brushes to help loosen stubborn dirt and debris. The G-Tooth™ drive track design helps protect the cleaner from excessive rubbing against the pool sides.

Additionally, the AquaGuard LX3 is also compatible with the use of External Timers! (*External Timer not included)

KEY FEATURES

- Extra Long 50' Cable with Detangler
- Dual Scrubbing Brushes
- Compatible with External Timers*

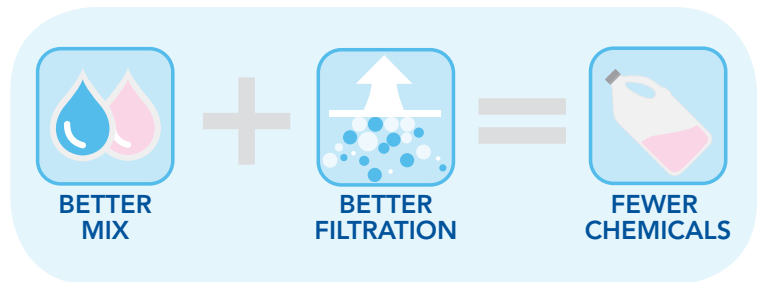

Rotating scrubbing brushes loosen built-up debris.

**FEWER CHEMICALS AND
A HEALTHIER CLEAN.**
