**POWERFUL SUCTION.  
FAST CLEANING.  
ULTIMATE SIMPLICITY.**

The AquaGuard LX5 is designed to clean residential In-Ground Pools of all sizes and surfaces. The AquaGuard LX5 moves through the water to automatically brush, vacuum and micro-filter dirt, debris and contaminants from the pool's floor, walls and waterline. The focus is on the pool basin, climbing once every fourth pass.

The AquaGuard LX5 is equipped with dual rotating scrubbing brushes to help loosen stubborn dirt and debris.
